

SCRUBBER-DRYER

Model RS

Scrubber dryer man on board RS is a very compact machine and, even if it has the operator on board, it is able to work where usually works machines with man on floor: this is possible for its dimensions and especially for its driving manageability.

Rs gives the possibility of choosing water quantity, pressure on brushes and if You choose SD (save detergent) version, you can choose also the percentage of detergent depending on the quantity of water, using two simple switches on the dashboard.

A very good tank's capacity and power of batteries permit to the machine a long lasting professional use.

Obviously RS has some technical qualities that make the work easier and safer: squeege's automatic lifting in reverse gear, automatic speed reduction while turning, automatic relais braking board, automatic parking brake, replacement of wiper blades without tools and on demand, battery charger on board.

SCRUBBER-DRYER

Compact, Manageable, High Performances
 Ergonomic, Comfortable, Silencious
 Work And Transfer Speed Optimal And Prefixed
 Electronic Selection Of Water Quantity On Floor
 Electronic Selection Of Brush Pressure
 Separate Detergent Distribution On Request
 Automatic Lift Of Brushes And Squeege

Model		RS 61	RS71
Work area width	mm	610	610
Width of floor scraper	mm	840	840
Theoretical work capacity	m ² /h	3700	4300
Power		Battery	Battery
Total power	W	1950	1950
Drive		Electric	Electric
Brushes			
Diameter/Quantity		310/2	360/2
mm/no			
Motor: Quantity/Power	no/W	2 / 400	2 / 400
Brush rotation	rpm	190	190
Brush load	kg	35-50	37-52
Drive			
Motor	W	600	600
Maximum velocity	Km/h	6	6
Maximum working gradient	%	15	15
Suction			
Motor: Quantity/Power	no/W	1/550	1/550
Air flow	l/sec	30	30
Suction depression	KPa	18	18
Tanks			
Type		Double tank	Double tank
Tank capacity (Clean/Dirty)	L	90/100	90/100
Battery			
Capacity	V/Ah	24/265- 24/320	24/265- 24/320
Work capacity	h	3-4	3-4
Dimensions			
Length x Width x Height	cm	149x670x128	149x670x128
Mass			
Without battery	Kg	220	220
battery 265 Ah (C5)(ac /pb)	Kg	188	188
Battery 320 Ah(C5)(ac/pb)	kg	320	320
Noise level			
Noise level dB(A)		68	68

Excellent Drying On All Kind Of Floors
 High Autonomy Of Water And Energy
 Dirty Water Tank Completely Sanitizable
 Easy And Effective Manutention
